Section 1. The parties affirm their intent, as required by existing statutes, to follow a policy of non-discrimination against any employee on the basis of race, color, creed, national origin, sex, age, marital status, veteran status, sexual orientation, handicap, or membership or participation in or association with legal activities of an employee organization or for any reason prohibited by federal, state or local law(s).

Section 2. Gender. The use of pronouns "he" or "she" and the suffixes "men" or "women" shall not be interpreted to refer to members of only one sex, but shall apply to members of either sex.

Section 3. Americans with Disabilities Act. This Agreement shall be interpreted to permit the reasonable accommodation of disabled persons as required by state and/or federal law, including the Americans with Disabilities Act (ADA). In the event such conflicting accommodation is permitted only if required to comply with said laws, the parties, at either's request, shall meet to discuss the proposed accommodation. The parties agree that any accommodation made by the Employer with the respect to job duties or any other term or condition of employment shall not in any way become applicable to any other individual, class or group of employees, but shall apply only to the person or persons accommodated in the particular situation. The fact that such person or persons was accommodated, and the manner and method of such accommodation, shall be without precedent and, therefore, may not be used or relied upon by any person for any purpose.
at any time in the future. No reasonable accommodation shall adversely affect the seniority rights of any bargaining unit member.

ARTICLE 3 - DEFINITIONS

Section 1. Employees shall fall under the following classifications:

   a) Regular Full-time Employee - an employee regularly scheduled forty (40) hours per week. Such employee is included in the bargaining unit.

   b) Regular Part-time Employee - an employee regularly scheduled twenty (20) hours or more per week, but less than forty (40) hours per week. Such employee is included in the bargaining unit. Part-time employees will receive pro-rated benefits based on normal scheduled hours.

Section 2. The Company shall not use Temporary or Substitute Employees to defeat the purposes of this contract. After one hundred twenty (120) calendar days of service, a Temporary employee shall become a Regular employee and thus shall be in the bargaining unit. If an employee works one hundred twenty (120) days and is hired, he/she does not have to serve the probationary period. Temporary Employees shall not be laid-off and rehired by the Employer in order to avoid the 120 days of service. The Union will be notified when a temporary employee works 100 days.

ARTICLE 4 - UNION MEMBERSHIP AND DUES CHECKOFF

Section 1. Union Membership. It shall be a condition of employment that all employees of the Company covered by this Agreement who are members of the Union in good standing on the effective or execution date of this Agreement, whichever is later, shall remain members in good standing; and those who are not members on the effective or execution date of this Agreement, whichever is later, shall upon completion of probation following the effective or execution date of this Agreement, whichever is later, become and remain members in good standing of the Union. It shall also be a condition of employment that all employees covered by this Agreement and hired on or after its effective or execution date, whichever is the later, shall on the completion of their probationary period following the beginning of such employment become and remain members in good standing in the Union.

Section 2. Dues Check-off. The Company will provide authorization forms for dues deduction, and Federation membership application cards to each employee at their date of hire and shall notify new employees that Federation membership is a condition of employment. The Company will forward a copy of each signed card (when received) to the Federation. Such
payments, accompanied by a list of employees for whom deductions have been made and the amount of the deductions, shall be forwarded to the Federation Treasurer for the Local within thirty (30) calendar days initially. After the initial list is forwarded to the Federation at the beginning of the fiscal year, only modifications to the list shall be sent to the Federation, in addition to the appropriate sum each month for the balance of the work year. Such sums shall be forwarded to the Treasurer of the Local by the thirtieth (30th) of each month for the previous month.

Section 2b. Dues deductions. Dues shall be deducted from the employees' pay on a weekly basis in an amount to be certified by the Federation Treasurer.

ARTICLE 5 - GRIEVANCE PROCEDURE

Section 1. Definition. A grievance is defined as a dispute concerning the interpretation or application of the specific terms or conditions of this Agreement.

Section 2. Informal Procedures. Any employee with a grievance must attempt to resolve the issue by discussion with the Company on-site supervisor. The employee may be accompanied by a Federation representative if the employee desires. Such informal discussion shall be held within seven (7) calendar days of the grievable event. The employee or the Union Steward must tell the supervisor they are discussing a 1st step grievance.

Section 3. Formal Procedures. A grievance must be presented in the following manner:

Step One: A grievance shall be presented in writing within fourteen (14) calendar days of the occurrence of the grievable event, or of the time from which the employee could be reasonably expected to become aware of the event giving rise to the grievance. The grievance shall be presented to the Director of Facilities who shall within seven (7) calendar days of receipt meet with the grievant in an effort to adjust the matter to the satisfaction of all concerned (vacation days shall not be included). The decision of the Director of Facilities shall be presented in writing to the Union within seven (7) calendar days of the date of the meeting held to discuss the written grievance.

Step Two: The decision of the Director of Facilities may be appealed in writing to the District Manager by the Union and presented to the District Manager or Director of Facilities within fourteen (14) calendar days after receipt of the Director's written decision. The District Manager shall review the Union's written appeal and shall, within fourteen (14) calendar days after receipt of the written appeal, make a decision as to the appeal and communicate it in writing to the Union. The District Manager's decision shall be considered timely if it is mailed and bears a postmark within the fourteen (14) day time limit to respond.

Step Three: If the Union is not satisfied with the resolution of the grievance at Step Two, a written demand for arbitration may be presented to the Company within fourteen (14) calendar days of receipt of the decision by the District Manager. Arbitration shall be under the rules and regulations of the American Arbitration Association. It is expressly understood that the arbitrator shall have no power to add to or subtract from the terms of the Agreement and in no event may render an award as to any matter expressly withheld from his/her jurisdiction by this Agreement.
Section 4. The time limits set forth in Steps One, Two and Three are absolute and may not be amended without the written consent of the Union and the Company prior to the expiration of the time period for which an amendment is sought. If an amendment is agreed to by the parties, it shall only be for the particular grievance then under consideration. The granting of an amendment to the time limitations set forth in the Grievance Procedures in any case or cases shall not constitute a past practice of amending or otherwise not complying with the time limits set forth in the grievance procedures. The time limits set forth in Steps One, Two and Three are jurisdictional and the grieving party shall forfeit its right to proceed with additional steps of the grievance procedure in the event that they are not adhered to. In such an event the grievance shall be deemed to have been withdrawn and shall not, thereafter, be considered arbitral. In the event that the party responding to the grievance shall not comply with the time limits set forth in Steps One or Two, the responding party shall be deemed to have accepted the grievance.

Section 5. Grievance forms shall contain at least, (a) the nature of the grievance and the date of occurrence, (b) the Section of the Contract claimed to be violated, (c) the results of previous discussions, and (d) the relief sought by the grievant.

Section 6. It is expected that meetings held under this procedure will be conducted at a place which will afford an opportunity for all persons proper to be present. For each formal or informal step, "proper persons" shall include the Company representative, the grievant, the authorized Federation employee, and bona fide witnesses. In the event meetings are held during working hours, by mutual consent, none of the persons proper to be present shall suffer any loss of pay.

Section 7. If the grievant requests; a representative of the Federation shall have the opportunity to be present at all grievance hearings.

Section 8. The grievant may be an individual employee, a group of employees, or the Federation on behalf of the employee(s).

ARTICLE 6 - RIGHTS OF THE PARTIES

Section 1. The Company shall make provisions so that the Federation shall have the authorized use of a bulletin board which will be purchased by and installed by the Federation for the posting of official Federation notices and announcements. The Company will not prevent the posting of Federation notices providing the material is neither derogatory nor defamatory in nature.

Section 2. The Federation shall have the reasonable use of employee mailboxes for distributing mailing pieces and reasonable use of the inter-school mail system, provided the Federation assumes responsibility to assure that such material is not accessible to students. This privilege is subject to the ability of the Company to obtain it from the School District.

Section 3. The Company shall make its best efforts in order that the Federation shall be provided the privilege of using the school building for meetings when such facilities are not in use, and in accordance with School Board policy for building use. Designation of meeting areas shall be determined by the School Administration.
Section 4. The Company agrees to compensate the Union Steward for a minimum of fifteen (15) and a maximum of sixty (60) minutes when requested by the Director of Facilities to attend meetings or hearings after working hours for Union business with members of the Bargaining Unit.

Section 5. The Company will not prevent Federation officers from visiting schools, provided that it is the Federation's responsibility to give notification to the Building Administrator and the Employer's Director of Facilities, and to assure that such visits shall not interrupt work or normal school operations. If the Director of Facilities is unavailable by telephone then a message will be left on the answering machine at the Employer's Office.

Section 6. If the Company changes the payroll system or payroll administrative process, the operation will comply with the new process and employees will be notified of any changes that affect the employees.

ARTICLE 7 - MANAGEMENT RIGHTS

Section 1. Management of Company operations and direction of the work force is vested exclusively with the Company. Except where expressly abridged by specific terms of this Agreement, the Company retains the sole right to exercise the customary functions of management, whether or not previously exercised by the Company or management of the School District prior to the exercise of this Agreement. These functions include, by way of example but not by way of limitation: the right to determine the type of work to be performed; the number of employees; to schedule and assign work; to establish new jobs; to eliminate jobs; to increase or decrease the number of job positions; to determine the schedule and time of shifts; to maintain and improve skill, efficiency, ability and productivity of its employees; to hire, promote, transfer and lay off employees; to subcontract work; to set work standards and maintain performance records; to establish and require employees to observe reasonable rules and regulations; to demote, discipline, suspend, transfer employees for disciplinary reasons or discharge employees for just cause.

Section 2. Proposed work rules shall be in writing, and shall be posted in every worksite and faxed to the Federation Office within ten (10) working days in advance of their effective date. Any grievances concerning the issuance, subject matter content, or application of the work rules shall be filed within five (5) days from the date the fax was sent. The grievance must contain the Article and Section of the contract that has been violated. If no grievance is filed within the five (5) days from the effective date, the work rules shall be deemed to be acceptable to the Union and the subject matter, content and application of said rules shall not thereafter be arbitral and an arbitrator shall not have the authority to modify, suspend, revoke or alter said rules.

ARTICLE 8 - EVALUATIONS

Section 1. If the employee is evaluated they will be provided with a copy of the evaluation and may submit a written rebuttal which shall be attached to the evaluation. The employee shall sign a copy of the evaluation as an indication that the evaluation has been received and read by the employee. Evaluations shall be kept in the employee's permanent folder, and shall be made available to the employee within twenty-four (24) hours of the request.
Section 2. No adverse formal or informal evaluation shall arise from lack or inadequacy of equipment, facilities, supplies, or training where such lack or inadequacy existed by reason of the Company's decision, or by other reasons beyond the employee's control.

Section 3. An employee has the right to review his/her permanent folder with twenty-four (24) hours' notice to the Director of Facilities, and the right to make one set of copies of any documents therein at no charge to the employee. The employee may be accompanied by a Union representative or may authorize, in writing, a Union representative to review and make copies of any document in the employee's permanent folder.

ARTICLE 9 - DISCIPLINE & DISCHARGE/JUST CAUSE

Section 1. No employee who has successfully completed the probationary period shall be disciplined, suspended, transferred for disciplinary reasons, or discharged without just cause.

An Employee may submit a written rebuttal to any notice of disciplinary action. An employee's signature on the written record of a disciplinary action does not constitute agreement with the action or an admission of guilt, but indicates only that the employee has received notice of the discipline.

There are two (2) kinds of official warnings: verbal and written. A verbal warning is a record of a discussion that takes place in which the manager has counseled the person about a particular problem. It is placed in the personnel file for future reference. It records dates, events, etc. as a reminder of what was said. Under exceptional circumstances, the informal process of verbal warning may be omitted.

Section 2. The parties recognize the principles and need for a method by which progressive discipline shall be provided. The Employer will administer progressive discipline as follows:

a) Verbal warning.
b) First written warning.
c) A final warning and disciplinary suspension of up to three (3) scheduled work days.
d) Suspension pending investigation and decision to discharge.

Section 3. The progressive disciplinary steps described in Section 2 will not be applied, and employees will be subject to suspension or summary discharge in cases of serious misconduct, such as gross insubordination; fraud, theft, or misappropriation of company or client funds or property; operating a company vehicle without a valid driver's license, punching in or out for another employee or any other falsification of records; vandalism; use, possession, sale, distribution, or being under the influence while at work of alcoholic beverages or illegal drugs or other controlled substances; possession of firearms or illegal weapons at the work place or while on duty; engaging in, abetting, or threatening violence, physical harm, or abuse of fellow employees, management, or customers; absence for three (3) consecutive scheduled work days without calling in, or other conduct of a similar nature, seriousness, or culpability.

Section 4. In any disciplinary proceeding, the Employer may not consider and/or utilize any material adverse to the employee that occurred more than twelve (12) months prior to the current disciplinary action, provided no other disciplinary action has been taken against the individual within those twelve (12) months.
Section 5. An employee shall be permitted to have a Shop Steward or Union Representative at any meeting with the Employer, or its agents, which meeting is for the purpose of investigating alleged misconduct by the employee that might be the basis for, or which may result in, discharge, suspension or other disciplinary action with respect to the employee. If the employee indicates that he/she wishes a steward to be present, and one is not available, the disciplinary meeting shall be temporarily postponed unless it is suspension or suspension with intent to discharge. In such cases, another bargaining unit person of the employee’s choosing shall be asked to sit in as a witness. If it is not a suspension or suspension with intent to discharge, the discipline shall be delayed until the employee’s next shift.

Section 6. Absence and tardiness issues shall be considered together on a separate track from other disciplinary issues. The progressive discipline steps described under Section 2 will be applied.

Section 7. All discipline shall be administered in an equitable and consistent manner. Disciplinary actions shall be subject to the grievance and arbitration procedure. The Union will be notified within five (5) days of the issuance of the disciplinary action, at such time the timeline begins for the filing of a grievance. An employee shall be entitled to Union representation as provided above.

Section 8. Any adverse report shall be communicated to the employee before it is submitted to the Facilities office.

ARTICLE 10 - WORKING CONDITIONS

Section 1. Lunch and Rest Periods. All employees shall receive a paid lunch period of thirty (30) minutes. Lunch period shall normally be duty-free; however, if the Company requires the employee to perform work during a normal lunch period an alternate duty-free lunch period shall be provided. Employees shall remain in the designated lunch area and have access to lavatory, and cafeteria/kitchen during their lunch periods. One employee per shift, which could be the supervisor, will be allowed to leave the school grounds for a period not to exceed fifteen (15) minutes for the purpose of picking up lunch for fellow employees. However, during the first shift, the person leaving the grounds must first have notified the administrative office at the school and the Employer’s office prior to his departure and upon his return. A second shift employee must notify his supervisor or designee prior to departure and return. Employees shall enjoy a fifteen (15) minute rest period for every four (4) hours of a shift. The areas are designated by management and are currently: (Williamstown Middle School: day - custodial office/ night-teacher’s lounge; Williamstown H.S.: teachers dining area, Oak Knoll School: day - custodial room/night, Holly Glen School: day - custodial office/night - custodial room, Radix School day - custodial room/night - teacher’s room, Whithall School: day – custodial room/night - custodial room, Maple Grove Administration: night - basement break room).

Section 2. Emergency School Closings. In the event that schools are closed due to inclement weather or other extraordinary circumstances, employees shall be contacted wherever possible at least one (1) hour prior to the normal starting time. The Company shall establish an employee contact procedure for this purpose. Employees are expected to work on school snow days. However, any employee legitimately sick on a snow day will be allowed to use a sick day, provided they employee has unused sick days. The Company reserves the right in cases of abuse
or suspicious circumstances to require an employee to provide a Doctor's certification or proof of illness.

Section 3. Work Schedule. Full-time employees shall normally be scheduled for forty (40) hours of work per week, inclusive of thirty minutes (30) paid lunch periods. The normal work week shall be from Monday through Friday for employees hired before November 17, 1992. Employees hired after November 17, 1992 may be assigned to work a flexible work week (a non-Monday-Friday week) and/or weekend hours at the sole discretion of the Company. Scheduled weekend work not assigned to employees working a flexible work week shall be assigned under the provision of the Overtime section of this Agreement.

Section 3(a) During the school year, an employee(s) regular schedule will not be changed without the employee receiving two (2) weeks advance notice.

Section 3(b) On-Call Pay. If an on-call HVAC technician is contacted for emergencies on the weekend to diagnose a problem and remotely rectifies the problem through the use of a company issued lap top computer, the employee will be paid a minimum of two (2) hours. If the employee must physically come to the job site in order to rectify the problem a minimum of four (4) hours will be paid. If a holiday falls on a Friday before or Monday following the weekend, the holiday will be considered as part of the weekend for on-call purposes. If the employee is not called over the weekend, no pay will be issued. On-call duty will be rotated among the technicians and an on-call schedule for the year will be provided in advance. In the event the scheduled on-call employee cannot work a particular weekend, he/she will be responsible for coordinating coverage with the other technicians. In emergency situations, and when no HVAC technician is available, the supervisor will provide coverage for that weekend.

Section 4. Call-in-Procedure. When an employee will be absent due to illness, he/she shall contact the Employer's office in advance of his/her normal reporting time. First shift morning employees shall contact the Employer's office at least one (1) hour in advance of their normal starting time, unless unable to do so because of bona fide emergency. Second shift employees shall contact the Aramark Educational Services L.L.C. office at least three (3) hours in advance of their normal starting time, unless unable to do so because of bona fide emergency. It shall not be the responsibility of the employee to secure a substitute. When an employee will be late he/she will contact the Aramark Educational Services L.L.C. office before the start of his/her scheduled work shift.

Section 5. Probationary Employees. New employees shall serve a probationary period of ninety (90) calendar days. Upon successful completion of the probationary period, the employee will receive all benefits retroactive to the date of hire except vacation, holiday, sick days and medical benefits. The probationary employee may be discharged at any time prior to the end of the probationary period. Every effort will be made to inform probationary employees of shortcomings which may result in termination at the end of the probationary period, for the purpose of affording an opportunity to improve performance.

5(a) That the employee will be provided with a copy of said notice of intent and may submit a written rebuttal which shall be attached to said notice, otherwise the discharge or termination of a probationary employee shall not be subject to the grievance and arbitration provisions of this Agreement. All days that an employee works as a temporary employee shall be included in computing the ninety (90) calendar day probationary period.
Section 6. Non-Reprisal Agreement. The parties agree that neither shall discriminate against, nor engage in, reprisals against any person or party related to this dispute by reason of the negotiations leading to this Agreement, for the life of this Agreement. The parties also agree not to discriminate against nor engage in reprisals against any employee or Federation officer in oral or written form for exercising rights provided for in this Agreement or for action taken to enforce this Agreement or for similar action taken in accordance with law.

Section 7. Liaison. Once per quarter a committee comprised of three (3) members of the bargaining unit selected by the Union shall meet at an appropriate time with the Company to discuss items of mutual concern. Initiation of such meeting shall be in writing and a list of agenda items to be discussed shall be provided by the committee.

Section 8. Work Shift. The regular work shift for custodial, grounds, and maintenance workers shall be eight (8) hours per day, inclusive of the one-half (1/2) hour paid lunch period. Except in the case of unforeseen circumstances, the Employer will make every effort to provide reasonable notice to employees who may temporarily or permanently be affected by shift changes.

Section 9. Workload. It is the intention of the Company to provide a fair and equal workload. No employee shall be required to work an overtime shift in excess of eight (8) hours during holidays and weekends.

Section 10. No employee shall be required to perform tasks for which they have not been trained. Supervisors have the ultimate responsibility to insure employees have been properly trained.

Section 11. Weekend/Holiday Snow Removal. The weekend/holiday snow removal plan shall encompass two (2) teams of callback (Team A and Team B). Members shall be selected for specific teams through mutual agreement of the Director of Facilities and the Union Steward in order to form teams which can best meet the needs of the district while taking into consideration the needs of the individual members. Team members shall be informed of their team assignments and the weekends/holidays for which they are to remain available by October 15 of each year. The names of the new hires shall replace the name of employee who left employment and they shall be informed of their team assignments and related information at the time of hire. Both teams are subject to the provisions of Articles 10.2 and 10.3. Each team shall be available to provide weekend/holiday snow removal for alternate weekends (for the purpose of balanced scheduling) starting with the first weekend in December to the last weekend in March. Team(s) members will be contacted by the management. Management will mobilize the snow removal team(s) in order to meet the needs of the district. This mobilization may require the callback schedule of the teams to be extended in the event of snowstorms that occur out of the assignment period. In the event of excessive amounts of show, and by mutual agreement of the captains and management, both teams will be called for snow removal. Management shall provide an appropriate level of snow removal equipment for each building (snow blowers, shovels, ice removal equipment, etc.), and train the employees for the use of such equipment.

Section 12. Calculation of Pay. Employees' time will start when the employee clocks in and the employees' time will stop when the employee clocks out. No employee is permitted to perform any work for the Company when not clocked in.
ARTICLE 11 - SENIORITY

Section 1. Seniority. Seniority shall be credited for continuous service with the Monroe Township School District and/or the Company, from the date of initial hire. For purposes of overtime, call-back, transfers, and layoff; seniority by classifications of custodial, grounds and maintenance shall apply. For all other purposes, bargaining unit seniority shall apply. The Company shall provide the Federation on a monthly basis an updated seniority list.

Section 2. Overtime. An employee required to work more than forty (40) hours per week shall be paid for such additional hours at a rate of time and one-half. Employees shall be allowed to accept overtime based on seniority, provided that if no employee accepts overtime, the least senior employee may be required to work overtime as necessary on a rotating basis. In order to insure fairness in scheduling of overtime, a rotating list shall be maintained so that no employee shall be afforded an opportunity to work overtime twice until all others in the classification have been afforded an opportunity to work overtime. Such rotation will be by building. In the case there are no volunteers in the building for Black Seal positions, the Company will seek volunteers, by seniority, from the maintenance Black Seal list. The Company shall seek volunteers from the HVAC workers first, by seniority and rotation. If HVAC workers do not volunteer, the Company will seek volunteers for the other maintenance Black Seal employees on the list, by seniority. If no maintenance employees volunteer, custodial employees with a Black Seal shall be given the opportunity to volunteer, by seniority. Mandatory overtime for Black Seal can be offered to supervisors first, then mandatory on a rotating basis in inverse order of seniority. In the case of emergency, such that there is insufficient time to utilize the seniority lists, management or supervisors may perform the required work.

Available overtime opportunities shall be posted two (2) weeks in advance for the following two (2) weeks, posted on Friday whenever possible. For the purposes of overtime, one HVAC or maintenance worker shall be assigned to a single building who shall have the first right of refusal for all overtime. Buildings with no assigned HVAC or maintenance worker shall be covered by the HVAC and maintenance workers on a rotating basis.

Section 3. Call-Back and Pre-Arranged Time. If an employee is called back to work to cover for an emergency, the employee shall be guaranteed a minimum of two (2) hours of pay. If an employee accepts a pre-arranged assignment at a time other than the employee's regularly scheduled shift, there is no guarantee of hours. Call-back and/or Pre-Arranged Time shall be handled on the same rotational basis as defined in Article 11, Section 2. If no employee accepts the offer of pre-arranged time, the least senior qualified employee will be assigned and paid according to the call-back provisions of this section.

Section 4. Two Way Radios/Pagers/Mobile Phones. Those employees who are required to carry a two (2) way radio, pager or mobile phone, will be required to do so only during only working hours.

Section 5. Vacancies, Promotions, and Transfers. New or vacant positions shall be posted in each work site and sent to the Union at least ten (10) days prior to filling the position. The posting shall include job title, job description, work site, hours, days of work, the effective date, and the closing date for applications.
Promotions to supervisory positions outside of the bargaining unit shall not be governed by the terms of this Agreement, except that a promoted employee shall have a thirty (30) day grace period in which to revert to the old position in the event that the employee is unable to perform acceptably in the new position.

Vacant or new positions within the bargaining unit shall be governed by the terms of this Agreement. The filling of new or vacant bargaining unit positions shall be based on criteria including but not limited to attendance, safety, just cause issues, required certifications, and the ability to perform in the new position. If these criteria are equal, then seniority shall be the prevailing factor. The Company will provide appropriate training for employees transferring into new or vacant bargaining unit positions. An employee desiring transfer to a new work location may make written application, to include certification, past experience and ability to perform work, which shall be considered by the Company. An involuntary transfer shall not be made before an employee is provided a conference with the Director of Facilities and the Union Steward.

Employees currently filling flexible work week positions shall be afforded the opportunity to transfer to new or vacant Monday through Friday positions. The filling of new or vacant bargaining unit positions shall be based on qualifications and ability to perform in the new position. If these criteria are equal, then seniority shall be the prevailing factor. It is understood by the parties that the provisions of Article 9, Section 3 shall continue to apply to these employees. If it becomes necessary to reassign the employee to a flexible work week, the employee shall be given two (2) weeks prior notification.

When there is need for a replacement for a supervisor position due to leave of absence or other extended absence, a replacement will be paid at a rate which reflects one dollar ($1.00) per hour increase over the employee's normal hourly rate of pay. However, for shorter absences of a day-to-day nature, there will ordinarily be no specific replacement or differential pay given. The Company agrees to pay one (1) hour at the overtime pay for the performance of lock-up duties in the absence of a supervisor when a supervisor would have normally performed the lock-up except during weekends, holidays and while the employee is already receiving overtime pay.

Section 6. Layoff. In the event of the necessity for a layoff, the Company shall provide the affected employees at least thirty (30) days' notice. Laid off employees shall have recall rights for one (1) year from date of layoff. Upon return from layoff an employee's seniority and benefits shall be restored as of the date of the layoff.
